MDRT Australia Update

Welcome to the New Financial Year!

It is very exciting to be sending my first Update as the new Australian Chair of MDRT.

I look forward to working with and seeing many of you at our State functions and meetings.

A new year and a few changes

Congratulations to Ross Hultgren who has been appointed as Zone Chair - Oceania. Stepping into this role we are sure Ross will continue to do great things for MDRT and Advisor advocacy.

After many continual years on MDRT committees in Australia and as Zone chair, we would like to send out a special note of appreciation to Stuart Farrell for all of his hard work, dedication, efforts and importantly for all he has helped achieve for MDRT.

We will have two new State Chairs commencing within the next few months:-
Congratulations to Adam Morse who is replacing Brad Isaac as Victorian State Chair

And to Ashley Pattinson who will replace Brad Flick as NSW State Chair.
Both Brads have been amazing and we thank them for their hard work and efforts.

We have meetings organised to commence the New Year - details listed below. Make sure to register to secure your seat.
